

## Custom Drapery Services

Custom drapery is one of the most transformative elements in a home. At Graceful Dreams Home Decor, we design bespoke window treatments that elevate your space through tailored details, refined fabrics, and intentional design.

Each drapery design is curated specifically for your home—never off-the-shelf—ensuring proper scale, fullness, and a polished finish that complements your interior.

## What We Offer

Our custom drapery services are designed for clients seeking elevated, made-to-measure window treatments with professional guidance from concept to completion.

### **Our custom drapery services include:**

- Personalized design consultation
- Fabric selection assistance from a curated range of quality materials
- Drapery style and pleat recommendations (pinch pleat, ripple fold, goblet, tailored panels, and more)
- Guidance on fullness, length, lining, and functionality
- Coordination with your overall interior aesthetic
- Professional measurements (when applicable)
- Fabrication coordination and delivery scheduling

Each design is approached with precision to ensure your drapery enhances light, height, and the overall flow of your space.

---

## Custom Drapery Styles

We design a variety of drapery styles to suit both classic and contemporary interiors, including:

- Stationary decorative panels
- Functional drapery panels
- Statement drapery for formal spaces
- Soft, tailored designs for bedrooms and living areas

Every detail—from fabric weight to pleat structure—is thoughtfully selected to achieve a timeless, elevated look.

## Investment & Pricing

Custom drapery pricing varies based on fabric selection, panel size, style, and quantity.

- Custom drapery is **sold as pairs** (two panels per order)
- Pricing is provided after consultation and measurements
- Fabrication, materials, and hardware are quoted separately

Because all drapery is made to order, pricing is specific to each project and finalized before fabrication begins.

---

## Important Information

To ensure clarity and a smooth experience, please note the following:

- All custom drapery is **made to order** and non-refundable once fabrication begins
- Lead times vary based on fabric availability and design complexity
- Installation, mounting, and hardware installation are not included unless quoted separately
- We do not manage or oversee third-party installers or contractors

Our role is to design and guide the drapery process to ensure a beautiful final result.
